## NOW YOU HAVE INVESTED IN VICTORY

When you bought me you saved money. When you cash me, spend it wisely. Remember, I am your friend in TROUBLE, SORROW, SICKNESS and DEATH. The longer you keep me the more I will do for you. I am my brother's keeper. IF YOU CASH ME ONCE WHEN YOU DON'T NEED THE MONEY, YOU CAN'T CASH ME A SECOND TIME WHEN YOU DO.

Investing in this United States Government Bond means only one thing:  
GOOD for you.

*And goodness is the only investment that never fails.*
